| Review | <p>Mari Mari Cultural Village tour is located about 25 minutes away from the city and deep in the countryside away from the modern and developing Kota Kinabalu city. The village operates as a museum that preserves Borneo ethnic culture. It aims to share the knowledge, history, culture, and tradition of Borneo with you so that it is not forgotten. The village features 5 different ethnic tribes in one village. They are the rice farmer Kadazan-Dusun, the longhouse resident Rungus, the hunters and fisherman Lundayeh, the cowboy and sea gypsy Bajau, and the famously feared headhunting tribe Murut.</p>  |
